Chassis Code	Vehicle Name	Year >	Year End	Engine Code	Tran Type	Notes
PP1	Beat	1990	1995	E07A	5sp MT	
CL7	Accord Euro-R	2003	2007	K20A	6sp MT	Some parts also fit the CL9 Accord, check fitment information for each product to confirm.
EF9	Civic SiR	1988	1997	B16A	5sp MT	Some parts also fit the EF8 CRX, check fitment information for each product to confirm.
EF8	CRX SiR	1988	1991	B16A	5sp MT	Some parts also fit the EF9 Civic, check fitment information for each product to confirm.
EG6	Civic SiR	1992	1995	B16A	5sp MT	Some parts also fit the DC2 Integra, EG9 Civic and EG4 Civic, check fitment information for each product to confirm.
EG9	Civic SiR	1992	1995	B16A	5sp MT	Some parts also fit the DC2 Integra, EG6 Civic and EG4 Civic, check fitment information for each product to confirm.
EG2	Del Sol	1992	1995	B16A	5sp MT	Some parts also fit the DC2 Integra, EG6 Civic and EG4 Civic, check fitment information for each product to confirm.
EK4	Civic SiR	1996	1998	B16A	5sp MT	Some parts also fit the EK9 Civic, check fitment information for each product to confirm.

EK9	Civic Type R	1997	2000	B16B	5sp MT	Some parts also fit the EK4 Civic, check fitment information for each product to confirm. Also check fitment version as there are two versions of the EK9. Most parts fit both but some aero parts differ.
EP3	Civic Type R	2001	2007	K20A	6sp MT	Some parts also fit the DC5 Integra, FN2 Civic Euro Type R, FD2 Civic and the CL7 Accord, check fitment information for each product to confirm. Also check fitment version as there are two versions of the EP3. Most parts fit both but some aero parts differ.
FD2	Civic Type R	2007		K20A	6sp MT	Some parts also fit the DC5 Integra, FN2 Civic Euro Type R, EP3 Civic and the CL7 Accord, check fitment information for each product to confirm. Some products may also only fit the Mugen FD2 RR. Again, check fitment information to confirm.
FN2	Civic Type R [Euro]	2007		K20A	6sp MT	Some parts also fit the DC5 Integra, EP3, FD2 Civic and the CL7 Accord, check fitment information for each product to confirm.
DC2	Integra Type R	1996	2000	B18C	5sp MT	Some parts also fit the EG6 Civic, EG9 Civic and the EK9 Civic, check fitment information for each product to confirm. Also check fitment version as there are two versions of the DC2. Most parts fit both but some brake components and exhaust headers and systems are made for specific models. Some parts also fit the Integra SiR.

DC5	Integra Type R	2001	2007	K20A	6sp MT	Some parts also fit the FD2 Civic, FN2 Civic Euro Type R, EP3 Civic and the CL7 Accord, check fitment information for each product to confirm. Also check fitment version as there are two versions of the DC5. Most parts fit both but some aero parts differ. Some parts also fit the USDM Integra RSX.
AP1/AP2	S2000	1999	2007	F20C/F22C	6sp MT	Check for fitment information for confirmation of AP1 and AP2 fitment.
GD (1-4)	Fit	2001	2008	L13, L15	Various	Check for fitment information for model (GD1-4), engine (L13, L15 etc) and for transmission type.
GE (8-9)	Fit	2008		L13, L15	Various	Check for fitment information for model (GE8-9), engine (L13, L15 etc) and for transmission type.
NA1	NSX	1990	1997	C30	5sp MT/4sp AT	Check for fitment information for transmission type and model type (NSX-R, NSX Coupe, NSX Targa etc)
NA2	NSX	1997	2005	C32	6sp MT/4sp AT	Check for fitment information for transmission type and model type (NSX-R, NSX Coupe, NSX Targa etc) as well as year (1997-2002, 2002-2005). 2002 onwards is a facelift so many aero parts are manufactured specifically for this model.

Chassis Code	Vehicle Name	Year >	Year End	Engine Code	Tran Type	Notes
FC3S	RX7	1985	1990	13B	5sp MT / 4sp AT	
FD3S	RX7	1991	2002	13B-REW	5sp MT / 4sp AT	Check Brake pad and rotor fitment for date or OEM wheel size. Check ECU types for year or version number (IV etc). Check for model specific parts.
SE3P	RX8	2003		13B-MSP	5sp MT/ 4sp AT / 6sp MT	Check parts for build number fitment.
NA6C(E)	Roadster/MX5/Eunos/Miata	1989	1992	B6-ZE (RS)	5sp MT / 4sp AT	Check Brake pad and rotor fitment for model number.
NA8C	Roadster/MX5/Eunos/Miata	1993	1997	BP-ZE (RS)	5sp MT / 4sp AT	Check Brake pad and rotor fitment for model number.
NB8C	Roadster/MX5/Eunos/Miata	1998	2005	BP-ZE	5sp MT/ 4sp AT / 6sp MT	Check Brake pad and rotor fitment for model number.
NCEC	Roadster/MX5/Eunos/Miata	2005		MZR-I4	5sp MT/ 6sp AT / 6sp MT	Check Brake pad and rotor fitment for model number.

Chassis Code	Vehicle Name	Year >	Year End	Engine Code	Tran Type	Notes
CD9A	Lancer Evolution	1991	1994	4G63	5sp MT	Check parts for Evo model specifics.
CD9A	Lancer Evolution II	1994	1995	4G63	5sp MT	Check parts for Evo model specifics.
CE9A	Lancer Evolution III	1995	1996	4G63	5sp MT	Check parts for Evo model specifics.
CN9A	Lancer Evolution IV	1996	1998	4G63	5sp MT	Check parts for Evo model specifics.
CP9A	Lancer Evolution V	1998	1999	4G63	5sp MT	Check fitment for RS specification products such as brakes. Standard RS "forest" spec, smaller brakes. If you are purchasing for RS check brake setup. You may have normal GSR spec brakes.
CP9A	Lancer Evolution VI	1999	2000	4G63	5sp MT	Check fitment for RS specification products such as brakes. Standard RS "forest" spec, smaller brakes. If you are purchasing for RS check brake setup. You may have normal GSR spec brakes.
CP9A	Lancer Evolution VI Tommi Makinen Edition	1999	2000	4G63	5sp MT	Check fitment for RS specification products such as brakes. Standard RS "forest" spec, smaller brakes. If you are purchasing for RS check brake setup. You may have normal GSR spec brakes.

CT9A	Lancer Evolution VII	2001	2003	4G63	5sp MT	Check fitment for RS specification products such as brakes. Standard RS “forest” spec, smaller brakes. If you are purchasing for RS check brake setup. You may have normal GSR spec brakes. Check aero parts marked for use with CT9A for specification between Evolution VII – IX.
CT9A	Lancer Evolution VII GTA	2002	2002	4G63	5sp AT	Check for transmission parts, aero parts and interior parts that may not fit this model.
CT9A	Lancer Evolution VIII	2003	2004	4G63	5sp MT / 6sp MT	Check fitment for RS specification products such as brakes. Standard RS “forest” spec, smaller brakes. If you are purchasing for RS check brake setup. You may have normal GSR spec brakes. Check aero parts marked for use with CT9A for specification between Evolution VII – IX.
CT9A	Lancer Evolution VIII MR	2004	2005	4G63	5sp MT / 6sp MT	Check fitment for RS specification products such as brakes. Standard RS “forest” spec, smaller brakes. If you are purchasing for RS check brake setup. You may have normal GSR spec brakes. Check aero parts marked for use with CT9A for specification between Evolution VII – IX.

CT9A	Lancer Evolution IX	2005	2006	4G63	5sp MT / 6sp MT	Check fitment for RS specification products such as brakes. Standard RS “forest” spec, smaller brakes. If you are purchasing for RS check brake setup. You may have normal GSR spec brakes. Check aero parts marked for use with CT9A for specification between Evolution VII – IX.
CT9A	Lancer Evolution IX MR	2006	2007	4G63	5sp MT / 6sp MT	Check fitment for RS specification products such as brakes. Standard RS “forest” spec, smaller brakes. If you are purchasing for RS check brake setup. You may have normal GSR spec brakes. Check aero parts marked for use with CT9A for specification between Evolution VII – IX.
CZ4A	Lancer Evolution X	2007		4B11	5sp MT / SST	Check parts for Evo model specifics.
DE2A /DE3A	FTO	1994	2000	6A12	5sp MT / 5sp AT	Check model specific information for GPX, GP, GS, GR, GX, GPX and GP version-R.
Z15A /Z16A	GTO	1990	1999	6G72	5sp MT / 4sp AT / 6sp MT	Check parts for GTO model specifics.
Z27A/Z27AG	Colt Ralliart	2002	2008	4G15	5sp MT / CVT	Check parts for Colt model specifics including year and engine type.

Chassis Code	Vehicle Name	Year >	Year End	Engine Code	Tran Type	Notes
RPS13	180SX/200SX/240SX	1989	1998	SR20DE, SR20DET, CA18DET	5sp MT / 4sp AT	Check for transmission type and engine type (NA or FI) and for any model specific fitment information
Z31	300ZX/Fairlady Z	1983	1989	VG20ET/RB20DET	5sp MT	Check for transmission type and engine type (NA or FI) and for any model specific fitment information
Z32	300ZX/Fairlady Z	1989	1998	VG30DE/VG30DETT	5sp MT / 4sp AT	Check for transmission type and engine type (NA or FI) and for any model specific fitment information
Z33	350z/Fairlady	2002	2007	VQ35DE/VQ35HR	6sp MT / 5sp AT	Check for model specific parts (Version T, S, ST etc)
Z34	370z/Fairlady	2008		VQ37VHR	6sp MT / 7sp SA	Check for model specific parts (Version T, S, ST etc)
A31	Cefiro	1988	1994	RB20DE, RB25DE, RB20DET	5sp MT / 4sp AT	Check for transmission type and engine type (NA or FI) and for any model specific fitment information
R35	GTR	2007		VR38DETT	GR6 dual clutch	Check for model specific parts (if applicable)
RNN14	Pulsar GTi-R	1990	1995	SR20DET	5sp MT	Check fitment information for Dakar models if applicable.
S12	Silvia/200SX/180ZX	1984	1987	CA18, CA18ET, FJ20, FJ20ET, CA20E	5sp MT / 4sp AT	Check for transmission type and engine type.
S13	Silvia	1989	1994	SR20DE, CA18DE, SR20DET, CA18DET	5sp MT / 4sp AT	Check for transmission type and engine type.
S14	Silvia	1994	1998	SR20DE, SR20DET	5sp MT / 4sp AT	Check for transmission type and engine type (NA or FI). Check for facelift/pre-facelift on aero parts.
Sileighty	Silvia/180SX	1998		SR20DET	5sp MT	Kids Heart special edition. Most parts Silva parts are compatible.
S15	Silvia	1999	2002	SR20DE, SR20DET	6sp MT / 5sp MT / 4sp AT	Check for transmission type and engine type (NA or FI)
BNR32	Skyline GTR	1989	1994	RB26DETT	5sp MT	Check for model specific parts (V-Spec and non V-Spec)
BCNR33	Skyline GTR	1995	1998	RB26DETT	5sp MT	Some parts may not fit special models such as Autech and Nismo

						400R
BNR34	Skyline GTR	1998	2002	RB26DETT	6sp MT	Some parts may not fit special models such as M Spec and Nur
HCR32	Skyline GTS-T	1989	1994	RB20DET	5sp MT / 4sp AT	Check for model specific parts (if applicable)
ER33	Skyline (known as R33 NA)	1993	1998	RB25DE	5sp MT / 4sp AT	Check for model specific parts (if applicable)
ECR33	Skyline GTS-T	1993	1998	RB25DET	5sp MT / 4sp AT	Check for model specific parts (if applicable)
ENR34	Skyline (known as R34 NA)	1998	2002	RB25DE	5sp MT / 4sp AT	Check for model specific parts (if applicable)
ER34	Skyline GTT	1998	2002	RB25DET	5sp MT / 4sp AT	Check for model specific parts (if applicable)

Chassis Code	Vehicle Name	Year >	Year End	Engine Code	Tran Type	Notes
